Ref(a) Our joint appeal dated 16-10-1949 to the Hon. Ministers on the above subject.

(b). The visit of the Ministers to Royapuram

****

In response to the invication of the people of Royapuram to look into their grievances, Mr. H.C. Dasappa, Minister for Finance and Industries, Mr. K.T. Bhashyam, Minister for Labour and Law, Mr. R. Channigaramiya, Minister for Local Self- Government and Mr. H. C. Siddiya, Minister for Revenue and Railways, Government of Mysore visited the place on the above date. They were received by Rev. Father W.M. Texeira, and Mr. Marcel D'Souza., M.R.A. and others spoke referring to the needs of the locality and urged for early restoration of the sites for the construction of houses, improved supply of water and greater educational facilities. Prominent persons alluded to the efforts made by the Father P.M. Briand and Dr. T.C.M. Royan for their advancement and suggested relief through co-operative societies. The Ministers present assured help in consultation with the authorities concerned.

Now we find that sites are being formed in small extens like 15 x25 as against the sites measuring 30x 30 ,which is evidenced by proper records.

We are nervous to note the changed policy of the authorities in this connection as 400 families of Royapuram,who were signatories to the mass petitions and their efforts and sacrifices seems to be greatly jeopardised.

Hence it is very necessary that as originally decided we be granted 400 sites measuring 30x 30 in consideration of the sufferings and hardships and the loss of sites etc. in the newly formed sites at Sampangiramiya's area.

We were greatly encourged by the efforts made by Mr.Shafi Dara Shaw, Dr. T.C.M. Royan and others in this behalf and fervently hope and feel sanguine that we be provided as originally assured and reiterated by the Hon'ble Ministers during their visit on 16-10-1949 at Royapuram, for which act of justice and generosity,we shall ever feel highly grateful.

Ref:- (a). Our joint appeal dated 16-10-1949 to the Hon. Ministers on the abcve ****** subject.

(b). The Visit of the Ministers to Royapuram.

In response to the invitation of the people of Royapuram to look into their grievances, Mr. H. C. Dasappa, Minister for Finance and Industries Mr. K.T. Bhashyam, Minister for Labour and Law, Mr. R. Chennigaramiah, Minister for Local Self. Government and Mr. H. C. Siddaiya, Minister for Revenue and Railways, Government of Mysore visited the place on the above date . They were received by Rev.Father W.M.Texeira , and Mr. Marcel D'Souza M.R.A. and others spoke referring to the needs of the locality and urged for early restoration of sites for the construction of houses, improved supply of water and greater educational facilities. Prominent persons, alluded to the efforts made by the Father P.M. Briand and Dr. T.C.M.Royan for their advancement and suggested relief through co-operative societies. The Ministers present assured help in consultation with the authorities

concerned.

Now we find that sites are being formed in small extents like 15x25 as against the sites measuring 30x30, which is evidenced by proper records .

We are nervous to note the changed policy of the authorities in this connection as 400 families of Royapuram, who were signatories to the mass petitions and their efforts and sacrifices seems to be greatly jeopardised.

Hence it is very necessary thatas originally decided we be granted 400 sites measuring 30x30 in consideration of the sufferingsand hardships and the loss of sites,etc, in the newly formed sites at Sampangiramiya's area.

We were greatly encouraged by the efforts made by Mr. Shafi Dara Shaw , Dr. T.C.M. Royan, and others in this behalf and fervently hope and feel sanguine that we be provided as originally assured and reiterated by the Hon'ble Ministers during their visit on 16-10-1949 at Royapuram.

For which act of justice and generosity,we shall ever feely highly grateful.

It is but natural that we rejoice that after the dawn of Independence, our Popular Ministers have been sympathetic and earnest in bringing about our advancement, socially, politically, culturally and economically. May the Indian National Congress, under whose banner, every one of you has served so selflessly, often facing and undergoing hardship and suffering, and struggling ever for freedom, shine forth and confer upon all of us peace and prosperity. Our hearts are full of faith and allegiance to the Congress creed and its rule.

We beg leave to state that our forefathers, about half a century ago, lived in obscurity, in huts and in humbler tenements at the locality where the temple of Amniamma now stands. They were ousted from there by the administration then in power. They had to flee and seek refuge under Late Rev. Father P.M. GENERAL DEPARTMENTS

Sir,

Subject:- ALLOTMENT OF SITES to the Christian and other residents of Royapuram village, Mysore Road, Bangalore City.

I am writing this to bring to your kind notice the homeless and hopeless condition of most of the former residents of Royapuram village, Mysore Road, Bangalore, with the request that immediate action may kindly be caused to be taken to redress their grievances.

These former residents were having small houses in Royapuram village. The President, Bangalore City Municipal Council, who visited the lochity in March 47, is stated to have advised the residents of this locality to demolish their old tenements and shift their household temporarily to some nearby spot adjoining Royapuram, holding out to them the definite promise that new sites according to a well laid out plan would be available to them in Royapuram itself. They were also promised reasonable compensation for their old tenements demolished by them. Accordingly, most of the families demolished their houses and shifted temporarily to the adjoining locality. Ever since that time, they have been living there without any facilities of an ordinary citizen with the fond hope that they would be given sites in their old locality.

It is learnt that the Executive Engineer, Bangalore City Municipality, prepared a plan of the proposed Royapuram lay out with 85 sites and it is not known why the sites have not been given to the former residents of Royapuram. Perhaps, a few wealthy persons who seem to have purchased sites from the poorer persons and now own somewhat decent houses in Royapuram and which they have let put to others, have been allowed to retain their houses in their places as before, and they may be unwilling to co-operate with others in constructing model houses. The non-co-operative spirit of a few rich people should not be allowed to hinder the poorer section of the people from obta ning sites in Roayapuram.

(19)

I therefore request that all the former residents of Royapuram, who demolished their houses in the hope getting well laid out sites, may immediately be given sites and such of them as cannot be given sites there may be given sites in the adjoining plot near the lay out of Royapuram. The plot where they have now shifted , a fresh lay out may be got done to these poor people who were almost once upon a time belonging to Adikarnataka and other depressed class and remain converted to Christianity from the time of Rev. Fr. Peter M. Briand, after whom the locality is named as Raya Puram (Raya indicates Peter) by giving sites in Rayapuram or in the adjoining spot to persons who are strangers to the localityand denying the former residents of this locality their legitimate rights.

There is another point which I may be permitted to bring to your kind notice. Adjoining to Royapuram village lay out, there is a Church and a school. The School has a temporary tiled roof shed, is too small and requires extension and improvements wo provide more accommodation to the increased number of children seeking admission into it. The strength of the school is about four hundred and most of the children are from the poor families in the locality and from slum area. the obstacle in the way of extending the school is the three dwelling houses almost touching the school building. The owners have no objection to shift to any other locality provided for them in exchange. The owners of these houses may therefore be kindly given sites in Rayapuram lay out or the adjoining place which has to be converted into sites.

The open space adjoining the small Government School building where school is now nominally held, not far from the church, would also be of value to put up quarters for the Resident Parish Priest. These lands which are said to have belonged to the church before, but which seem to been taken possession of by the City Municipality when laying out Rayapuram sites by drawing a road in the middle of the spot, may be given back to the church.

In this connection I request that early orders may kindly be passed to have the grievances of the poor houseless people of Royapuram redressed and action may kindly be caused to be taken in respect of the school and giving back of the land in fron of the church.

A personal visit by you to the places referred to in the representation will convince you of the justice of the r claim of these poor dispossessed persons and the need for the extension of the School and grant of land in front of the church

Requesting early orders and thanking you,
I remain,
Yours faithfully,

TO

Sri. R. CHENNIGARAMIAH,
Hon'ble Minister for Local Self Government,

Sir,

We the residents of Royapuram Extension, Bangalore City, humbly beg to bring these few lines to your kind notice, and confidently trust that you will favourably consider them.

We have been residing here, sir, for more than 40 years and we are all poor. And time and again we have been petitioning the Municipality to improve our sad lot; and relying on their promise, we pulled down our houses and shifted ourselves to tiny huts, thus exposing ourselves to many sufferings and privations. Our school, with its great population of over 500 children, is not only crowded but positively sinking; and finally, due to the new roads laid out in front and on the sides, our little church has lost a good bit of its compound and is bound to lose its sacred character as well. So last year, we begged the Hon'ble Ministers to visit our colony and hear our request. They did, with kindness; and graciously listened to our petitions, more, they personally saw our sorrowful plight and promised us all speedy and possible help, but sad to say, nothing has been done so far.

We, therefore, humbly request you, relying on your sympathy and kindness, to hear our petition and grant our request so that our miserable lot may be bettered. And for this great act of kindness we and our posterity too, will be always grateful to you.

Thanking you once again,

Why not endorsement is done to us so as to what action Bd or Municipal Corporation is going to take in the matter

Subject :- In the matter of formation of sites on Mr. Sampangiramiya's land, in Royapuram, Mysore Road, Bangalore, for the convenience of the residents living round about Royapuram aforesaid.

Reference : our Joint application to all the Nine Ministers of the Mysore Cabinet, Chairman, Trust Board, Municipal Commissioner, President Municipality dated 16th October, 1949 and also on 7th November, 1949 when the entire body of Ministers visited Royapuram under special invitation by the petrs for decision in the matter of distribution of sites on equitable basis.

Reference(b) Petitions to the Municipal Commissioner on 6th June 1946, 10th May 1947, 14th March 1947 5th November, 1946, 10th Octr. 1949 and to the Chairman Trust Board on 29th August, 1949, and 7th November, 49.

Reference(c). Assurances given by the Ministers of the Mysore Govt. for immediate formation of sites to us on our merits and supported by the Municipal Commissioners endorsement A7-DR-97 of 47-48 dated 14th April 1948 to the effect that we would be provided building sites in the acquired area of Sri Sampangiramiya.

Reference(d). Resolutation dated 20-9-1949 passed by the Body of Municipal Councillors.

Most Honoured President,

Believing the assurances of the Nine Ministers in the previous Cabinet, we kept quiet, thinking that some solid arrangement would be made. So far we do not see any substantial thing taking place. While judging the delay in grant of the sites, we feel doubtful whether we get sites on equitable basis at all, as the Chairman, Trust Board, is telling us that grant of sites -have to be satisfied, to some others, overlooking the Resolutation of the Municipal Councillors, and the Endorsement of the Municipality (now Corporation).

Since the Office of Presidentship has been entrusted to your goodself, and besides, being the first Lady President of the State Congress, we feel sure that you will kindly go deep into the question of grant of sites and kindly see that the resolutation of the Corporation is upheld under all cannons of Justice, Equity, Fair-play and above all independent spirit with which it was passed by the City Fathers.

By a copy of this appeal, the Mayor of Bangalore is also duly intimated for necessary and immediate action to be taken up as justice might be denied to us, if timely intervention is not made by your goodself and responsible authorities who gave us hopes of settlement.

We are now forced to refer this application to your goodself as many of the residents have been contemplating putting up sheds, if timely grant is not made, and in which case, the purposes for which it was reserved for will not fructify.

Hence needful and timely action be graciously proceeded.

yours respectfully,

A. Joseph.

In reply to your letter No.5805 dated 30-8-50 on the above, I have the honour to state that it is noticed that some of the residents of Royapuram who were shifted to the land acquired from Sri Sampangiramaiah have to be provided sites as reported by the Corporation Engineer (copy of which is enclosed for perusal)

Action is being taken for granting the 15 sites which are vacant at Royapuram to the original owners who were living in these sites previously.

The remaining people have to be accommodated by the Trust Board in the land acquired from Sri Sampangiramaiah. Hence a reference may kindly be made to the Chairman, City Improvement Trust Board, in the matter.

Copy of report No.E4.Pr.27/50 dated 29th August 1950 received from the Engineer, Corporation of the City of Bangalore.

Re: Grant of sites to the people living in the land acquired from V. Sampangiramiah in Royapuram and handed over to the City Improvement Trust Board, for forming a layout.

The Chairman, City Improvement Trust Board sent a list of owners ~~wer~~ who were living in the huts put up in the land acquired from Sri V. Sampangi Ramiah (on 29-12-1949). The Corporation Engineer was asked to take necessary action for shifting of the huts located in the above acquired land (vide memo No.L.A.C.17/48-49 dated 9-1-50). These people applied to the Minister for grant of sites for dwelling purposes and also improvements in their locality. This petition was forwarded to the Corporation Engineer for report (on 21-12-1949). After inspection of the spot, it was ascertained that in the year 1948, the residents of Royapuram were asked to shift temporarily to the area which had been acquired by the Municipality from Sri V. Sampangi Ramiah. This was done with a view to have a proper layout for Royapuram. Some of the residents of Royapuram who were living in the huts did really shift to the land acquired from Sri Sampangiramaiah while others who were being fairly substantial structures remained where they were. Since the proposal involved demolition of portions of a few houses, it never materialised and the scheme had to be actually given up. The Chairman, City Improvement Trust Board has asked for the shifting of the huts, which have come up into existance in the land acquired from Sri Sampangiramiah and handed over to the City Improvement Trust Board.

A regular survey of Royapuram area has been conducted and it is noticed that only 15 sites are vacant now in this area. The Revenue Officer who was requested to verify the ownership of these vacant sites, has sent a list of names of 42 persons, who were living in the vacant sites at Royapuram, Goripalyam. These 15 sites which are vacant at present may be given to these people in consultation with the leader of the locality. The rest have to be accommodated by the Trust Board in the land acquired from Sri Sampangi Ramiah. The Chairman, City Improvement Trust Board may be kindly addressed for needful in the matter. The connected file is enclosed herewith.

Subject:- Providing 106 sites to the residents of Royapuram in Sampangiramaiah layout.

S. MA

With reference to your letter No.L.9878 dated 14th December 1951, on the above subject, I write to state that at the meeting of the Board held on 5th March 1952, it was resolved that 103 sites may be ear-marked to accommodate -- Royapuram people and the rest of the sites be disposed of to accommodate the residents of Sharada Stree Samaj area and Baba Hut Area. The resolution of the Board is as noted hereunder:-

4177

A.V.B. Dep 378/51

C.M. Dep 133/51-52.

A/S. Rev. Br on 14-7-52

> "That 103 sites in all be ear-marked to accommodate Goripalya (Royapuram) people and the rest of the sites be disposed of to accommodate the displaced persons in Sharada Stree Samaj area and Baba Hut Area".
>
> It was also resolved:
>
> "That the three persons whose huts were recently demolished by the Church authorities be not given the sites which they attempted to occupy unauthorizedly but be accommodated elsewhere."
>
> "Further that the Commissioner be requested to allocate the 103 sites and there should be an equal distribution of sites irrespective of -- their situation."

The Commissioner of the Corporation, who was requested to furnish a list of names of persons to whom sites have to be allotted, has forwarded a list. But before taking the ques.tion of allotting sites to these applicants the position with regard to this layout was explained to the members of the Boa

which is as follows:-

Sampangiramaiah's land was acquired by the Corporation at a heavy cost and the Corporation is asking the Trust Board for the payment of the compensation amount. The approximate estimated cost for the layout is Rs.2,03,606/- and the cost of ~~which~~ each site measuring .15' x 27' works out to Rs.1,000/-. If the scheme has to be self-supporting either the Corporation or the Government has to subsidise, as the persons to whom the sites are - - meant are not in a position to pay such heavy cost. The sites may be leased on an economical rent of Rs.5/- per month on a perpetual lease basis or on a hire purchase system recovering cost of the site and interest on the capital at Rs.6/- per month to become the property of the allottee in a period of 25 years. As the Board cannot take up the responsibility of collecting the lease amount and as the Corporation has acquired the land, the members of the Board felt and resolved as noted below:-

> "That the land taken from the Corporation in the Sampangiramiah layout be returned back to the Corporation itself, with a request to accommodate the 103 Goripalya people there, when sites are formed in that layout. As regards the displaced persons of Sharada Stree Samaja and Baba Hut area, they might be accommodated - - elsewhere."

I request that orders of Government to retransfer this land to the Corporation and the Corporation to take up the further work according to the layout may please be obtained and communicated early.

Yours faithfully,

(R. ~~Madhavan~~)
Chairman.

Sir,

Subject: Providing 106 sites to the residents of Royapuram in Sampangiramaiah Layout.

Ref: Your letter No.L.1807/ITB.8-53-7 dated 11th May 1953.

Adverting to your reminder No.L.809 dated 20th April 1954, re: the above, I write to enclose herewith a copy of letter No.L.A.C.17/48-49 dated 23-9-53 received from the Commissioner, Corporation of the City of Bangalore, and to state that the land acquired by the Corporation was taken possession of by the Trust Board on 17th May 1949. Though the scheme was contemplated so far back in the year 1948 to accommodate all the dishoused people of the slum areas proposed to be cleared, yet orders of Government were not sought for to the formation of this layout. The estimated cost for the layout is now found to be very heavy and the scheme will not be self-supporting; it is therefore now proposed to retransfer this land to the Corporation as already intimated in my letter No.A2.PR.414/52 dated 19-2-1953. As the scheme itself was not sanctioned, no expenditure was incurred in this behalf.

Yours faithfully,

(R. Madhavan)

Letter No.L.A.C.17/48-49 dated 23rd Septr.1953 from the Commissioner, Corporation of the City of Bangalore Bangalore, to the Chairman, City Improvement Trust Board, Bangalore.

Subject: Providing 106 sites to the residents of Royapuram in the land acquired from Sri V.Sampangi Ramiah in Goripalya out of Municipal Funds.

Adverting to your letter No.A2.PR.414/52-53 dated 24th June 1953 requesting to intimate whether there was any Government Order approving the taking over Sampangiramiah's land from the Corporation to the Trust Board for formation of layout and providing sites to the residents of Royapuram, I write to state that so far as this office is aware, there is no separate Government Order sanctioning the formation of a layout in the said land by the Trust Board except a Government Order No.L.7938-42/M.L.24-48-47 dated 13-1-1949 sanctioning the acquisition proposal. But on the hard pressure put forth by the then Chairman of the Trust Board, the land was acquired and handed over possession to them on the understanding that the Trust Board would seek approval of Government for the formation of a layout.

Anyhow, a copy of detailed office note explaining the full history of the case is herewith enclosed for favour of information.
